We Know**By Experience**

Wise men use the experience of others
and make it their own.

Those who have taken Hood's Sarsaparilla are the ones who are competent to speak of its merits.

The testimonials of cures by Hood's constitute a vast mass of testimony which proves the power of this medicine to cure a great variety of diseases.

These cures often seem marvelous, yet they are perfectly natural and are easily explained. They are the necessary result of purifying and enriching the blood.

"I have been troubled with scrofula all my life, and it effected my eyes so that I was obliged to remain in a dark room. I began taking Hood's Sarsaparilla. Now my eyes are so strong that the light never troubles me, and my health is good." Mrs. CARRIE WILKES, Lompoc, Cal.

MR. IRWIN BUYS LAND

Pays \$100,000 For San Francisco
Property.

Said He Will Make His Home There—
Expensive Mansion to Be
Erected.

San Francisco, Dec. 29.—William G. Irwin, the wealthy Hawaiian sugar planter, who married Mrs. Ben Holliday, is going to make San Francisco his future home. He has purchased for this purpose one of the finest marine views on Pacific Heights at a cost of \$100,000, and will build on the site, which covers two fifty-vara lots, one of the most expensive mansions erected in this city. It will be of stone, as will be the stable, the two buildings costing not less than \$150,000.

The place selected by William G. Irwin is the vacant lots extending on the east side of Laguna street from Washington to Jackson, facing the residences of Henry J. Croker and Dr. Barkan, and in proximity to those of William F. Whittier, M. H. Hecht and Mrs. Dunphy. In addition to the magnificent marine view, the mansion will look over a public square and command a full sweep of the distant hills toward the south and east.

The seller of the land is Irving M. Scott, who purchased it in 1894 from J. B. Randol for \$90,000, intending to build upon it, but family bereavement caused him to change his intention. The price \$100,000 is considered a very good one. The sale was made by Shainwald, Buckbee & Co., Baldwin & Hammond being interested in the transaction, which is the largest one of the year in residence property and the most important in view of the substantial character of the improvements to be made. Mr. and Mrs. Irwin are at present living in this city in the house of Mrs. Samuel Blair, on Van Ness avenue, near Bush street.

If You Wish to Be Well

You must fortify your system against the attacks of disease. Your blood must be kept pure, your stomach and digestive organs in order, your appetite good. Hood's Sarsaparilla is the medicine to build you up, purify and enrich your blood and give you strength. It creates an appetite and gives digestive power. Hood's Pills are the favorite family cathartic, easy to operate.
